åtch Cold Easily?

Are you frequently hoarse? Do you have that annoying tickling in your throat? Would you feel relieved if you could raise something? Does your cough annoy you at night, and do you raise more mucus in the morning?

Then you should always keep on hand a bottle of

Cheppu Pectoral

If you have a weak throat you cannot be too careful. You cannot begin treatment too early. Each cold makes you more liable to another, and the last one is always harder to cure than the one before it.

Dr. Ager's Cherry Pectoral Plaster protects the lungs from colds.

Help at Hand. If you have any complaint

whatever and desire the best medical advice you can pos-sibly obtain, write the doctor freely. You will receive a prompt reply.

Address, DR. J. C. AYER, Lowell, Mass.

A Letter of Advice. A son of Erin appeared at the money order window of a postoffice and said that he wanted to "sind some money to ould Oireland."

"Fill out this blank," said the clerk. handing the applicant one of the blanks used on such occasions. "An phwat is that?" asked Jerry.

"It's a blank that every applicant for a money order must fill out, a kind of letter of advice regarding the money order."

"An phwat has a letther of advice got to do wid me sindin tin dollars to me ould mother?" "A letter of advice to the postmaster

where the money is to be paid must always go with a money order." Jerry went away from the window,

grumbling and mystified. After half an hour of painful effort at a high desk provided for the public at one end of the room Jerry returned to the window and handed in this "let-

ter of advice" to the postmaster at Ballycarney: "Dear Moike-Oi'm tould Oi must give yez a bit av advice before you'll be able to pay me ould mother the two pounds Oi'm sindin along with this. So, Moike, Oi would advise yez to come to Ameriky an get a job at kaping postoffice, for it's illigant postoffices they

has here, an Ol've no doubt the pay is tin toimes phwat it is wid yez. So now be sure an pay me ould mother the two pounds, for Oi've done as the law says and sint yez a letther of advice." -Youth's Companion.

Her Last Heart Beat. Dr. J. B. Thomas during his connection with the Brooklyn City hospital had an experience which was unprecedented in medical history. There was in his ward a woman who had a very defective heart. Dr. Thomas found her much improved one morning and stopped at her bedside to congratulate

her upon her condition. The woman said that her condition was so much better that she thought she could get up and leave the institution. Having his stethoscope with him, the doctor bent over the patient to hear the pulsations of the heart. They were exceedingly irregular, and for some seconds he counted them.

Suddenly there was a pause, and he waited for the recurring beat. Maybe three seconds elapsed, and still there was no sound.

He looked up at her face in time to see the expression of death settling over the features. The pupils of the eyes dilated and swelled as he watched Designated Depository of the them, and the skin assumed a peculiar mottled appearance.

She whispered: "My God! What does this mean?" For a second the automatic action of the respiratory organs continued, and there were convulsive twitchings of the facial muscles, but death came when the last beat of the heart had died away.-Detroit Journal.

A Sure Sign of Croup. Hoarseness in a child that is subject to croup is a sure indication of the approach of the disease. If Chamber lain's Cough Remedy is given as soon as the child becomes hoarse, or even after the croupy cough has appeared, it will prevent the attack. Many mothers who have croupy children always keep this remedy at hand and find that it saves them much trouble and worry. It can always be depended upon and is pleasant to take. For ale by all Druggists.

LaGrippe, with its after effects, annually estroys thousands of people. It may be nickly cured by One Minute Cough Cure, he only remedy that produces immediate results in coughs, colds, croup, bronchitis, pneu monia and throat and lung troubles. It will prevent consumption. Edgar Warfield, jr., corner King and Pitt streets.

I believe it is possible to build up a much larger tailoring business in Alexandria than has ever existed here. I believe also that waite PRICES is a factor, the first and most important thing is THOROUGHLY GOOD WORK. In other words while men want low prices they also demand good cloth and well cut, and well made garments. I have bought both here and in Europe a bigger stock of high grade cloths than usual, and at advantageous prices. I have the best works men. tageous prices. I have the best workmen that money can hire, and I'm attending right to business myself as I have been these twelve years I bave carefully counted the cost of everything; I have figured not how much such work should bring, but how little I can do it for, and I'm going to make the price \$20 PER SUIT, and Robert T. Grimes's well cut, well made TROUSEES at \$5.
